Summer School 2026

Since 1999, Grace Christian Academy has offered summer school for students who have finished grade one, but have not yet entered grade seven. **Grace Christian Academy Summer Session, year 2026**, will be conducted for four weeks; **July 6-31**. Here is an outline of the summer program and a registration form. We are thankful for the opportunity to include your child in the Grace Christian Academy Summer School Program. The month of July has been planned to improve English skills in spoken and written forms. If you have questions, please contact our school office.

Theme: Miracles

Sick Policy:

Grace Christian Academy is committed to fostering an optimal learning environment for all students. We prioritize the health and well-being of our community. **Accordingly, we kindly request that parents monitor their children for any signs of illness. If your child exhibits symptoms such as coughing, a runny nose, or a fever, we request that they rest and recuperate at home.** This policy is equally applicable to our summer school programs. Your cooperation is essential in maintaining a safe and healthy environment for everyone.

Summer School Schedule:

Date: July 6-31

Time: 9:00am-4:00pm, Monday through Friday. Students may arrive as early as 8:30.

Location: Grace Christian Academy, No. 67 Dong Sing St., Nan Kang, Taipei 115

Cost: **NT\$35,000** for all classes, textbooks, meals, field trips and swimming lessons at no additional cost (GCA Swimming cap required NT\$100). This does not include daily transportation. Bus routes are not as extensive as during the school year, however, we'll try to meet your need. Fee for transportation: **NT\$9,000/ 20 days**. Please contact the school for more details.

Daily Schedule:

Students will be placed in classes according to **age and English ability**. Each child has six, one-hour classes per day, taught by teachers from our international program at Grace Christian Academy. Classes include, English, Bible, Art, Physical Education, Social Studies, and Science. Teachers work together to increase the learning potential and integrate their studies. The program is adjusted for field trip activities.

Teachers:

The summer school teachers are from GCA. They are familiar faces to the children who are currently enrolled at GCA and they are also familiar with the patterns of learning and policies at GCA. We all share the same goal of learning with fun and keeping the atmosphere supportive.

Class Structure:

We have found the structure of our summer school to be productive; leading toward a positive attitude toward school and academic improvement. The children have a daily combination of fun as they experience P.E., Art and Bible classes and they continue improving academically in their English, Science and Social Studies classes. Students are happy that we avoid tests, homework, and special projects.

Trips and Activities:

It is our goal to take the children on an outing once a week. Sometimes the weather interferes, and we need to find an indoor substitute plan, but we strive for activities that will engage their minds and contribute to a good summer experience.

Homework:

It is not our goal to keep the younger students occupied with homework during the evening hours. Light assignments can keep parents informed of vocabulary and subject material, but homework will be minimal. If students want to borrow library books, we will make the library available to them.

Physical Education:

Summer is a time for being outdoors and getting exercise. Expect a combination of sports, games, exercises and learning. We hope to be outdoors every day, so please remember your hat, water bottle, insect repellent and sunscreen, as desired. If there is some reason why your child cannot engage in outdoor exercise, please inform us. Swimming lessons at a local pool will be provided once a week, weather permitting.

Talent Show:

On Friday, July 31, students will have an opportunity to perform in our second floor auditorium. This session is closed to family members and the public, but it is still great fun for us, so please plan early for a special presentation to demonstrate your child's musical talent or other area of interest. If your child prefers not to perform, don't worry, our program will include all of the students in a manner which reduces stress!

Registration:

Please complete this form and return it to the Grace Christian Academy office with full payment. The information listed will help us to prepare for your child and give vital information needed in case of an emergency. The brief questions will help us in determining your child's language ability. Students are grouped according to English proficiency levels, within their age range. Therefore, your child may be in class with other students who are a year or two different in age, yet have a similar English level.
